**BIRTH CERTIFICATES ARE BONDS  
REMEDIES AND SOLUTIONS FOR YOUR CASH FLOW  
SITUATION**

*By Judge Navin-Chandra Naidu*

Inspect the four corners of your birth certificate, and you will invariably find a name of a bank. Why is a bank's name appearing on your birth certificate? The simple answer is that your birth certificate is a bond (debt instrument) which the government uses to exchange for ready cash knowing that you will be alive for another 70 years minimum from womb to tomb, and that your birth certificate is a constant source of funds and finances for the government. Your birth certificate bond is usually worth a minimum of 100 million dollars. The cabal keeps you ignorant and makes doubly sure your enquiries are conveniently avoided. Try writing to the U.S. Treasury for answers as to why a bank's name appears on your Birth Certificate !!

**Solution 1:** You stake a claim based on your birth certificate and demand payment from the government. They will laugh you off no matter how many federal laws you cite and quote. Heck, the Secret Service might even charge you for security fraud !!

**Solution 2:** You issue a scrip for 100 million dollars based on your birth certificate bond. You then go to a grocery store, a car dealer, a wardrobe retail store, a realtor to purchase necessities for yourself and your family. After paying for all these items, your scrip is now worth 99 million dollars. Do you think you can succeed in this

venture although your bond (birth certificate) is legal tender? NO. The retailer will laugh you off.

**Solution 3, the only solution:** You enter into a contract with a multiplier bank that identifies and accepts the worth and value of your birth certificate bond, or your baptismal record, or records of a birth evidenced in a family Bible. That bank agrees to accept your contract to issue an IBOE (International Bill of Exchange) at an affordable fee (**\$500.00 each birth certificate PROVIDED we have at least 20,000 individuals signing up to raise a minimum of \$5 million to purchase an IBOE**) which has the potential of supplying you at least 2 million dollars every year for the next 50 years TAX FREE . The IBOE enters a registered private placement program that yields a constant cash flow provided the reserves are not depleted but kept aside for multiplication. It is being done as we speak, but the multipliers, facilitators, shakers and movers are keeping their cards close to the chest and NOT marketing this concept. The cabal can be, and is, vicious. This Program is not being facilitated, enabled, or made possible through cabal protocols. **LEARN HOW you can take advantage of the knowledge to be financially independent.**

**AGREEMENT BETWEEN STAKEHOLDER (OWNER OF BIRTH  
CERTIFICATE) AND MULTIPLIER (BANK THAT PROVIDES THE  
PAYOUT)**

A. I, \_\_\_\_\_,  
residing at \_\_\_\_\_,  
email address \_\_\_\_\_,  
and Tel# \_\_\_\_\_ wish to participate in an enterprise to monetize  
my Birth Certificate without losing its asset value which I understand to be  
approximately USD one hundred million, or its equivalent in precious materials, or  
other fungible commodities. This Agreement is between me and the Law Firm of  
Naidu Neoh Tangavelu Rayer Chaoui and Engen (Law Firm) in association with the  
multiplier bank .

B. I further understand that a large number of participants totaling at least 20,000  
individuals from any country will be required to get this enterprise on a firm footing  
at a cost of \$500.00 per Birth Certificate per person. This Program is impelled by a  
desire to aid and assist the man and woman in Main Street America and elsewhere to  
realize their financial goals and objectives. The \$500.00 is my contribution  
(consideration for purposes of contract law) **to acquire the necessary knowledge,**  
and to help purchase the IBOE (international bill of exchange) which will represent  
the Birth Certificates as fungible financial instruments that will enter a private  
placement program (PPP) whose yield is expected to award me at least two million

dollars per annum for fifty years as the **reserve funds** get multiplied and enhanced over long periods of time. I have read the definition of “multiplier” as gleaned from Barron’s *Dictionary of Finance & Investment Terms*, and understand how PPP works.

C. I understand the IBOE can cost as much as USD ten million, and a minimum of USD five million to purchase using the Birth Certificates as the primary asset.

D. I further understand that this process of reaching the targeted 20,000 Participants could take 180 days to complete before yields are expected.

E. For taxation and securities laws purposes, I aver and attest that I am an accredited investor as defined in [Rule 501](#) of Regulation D of the Securities and Exchange Commission laws. I am thus exempt from registration.

**DEFINITION OF AN ACCREDITED INVESTOR, 17 CFR 230.501 (a) (5):** *Any natural [person](#) whose individual net worth, or joint net worth with that [person](#)'s spouse, exceeds \$1,000,000. ( My Birth Certificate is worth \$100 million. Under the law, I qualify.)*

**F. I further understand that the \$500.00 will be refunded to me within 365 days if the targeted 20,000 persons participation is not reached, or if I elect to withdraw for whatever reason.**

G. Upon reaching the 20,000 Participants target, payout should materialize within 180 days of the IBOE placement in the PPP with the issuance of a debit card in my name or in the name of a trust or foundation of my choice.

H. Nobody or no entity has duped me or deceived me by representing that this is a solicitation for an investment. I want to learn how to become financially independent. I have performed my due diligence.

I. I understand that I may be able to nominate beneficiaries to receive the funds in my behalf by informing the law firm, its associates, and partners. I shall send a notarized affidavit or a power of attorney to inform the law firm the names and addresses of my beneficiary or beneficiaries.

J. I swear under penalty of perjury that I am not participating in this endeavor to undermine the massive help this program can bestow upon the man and woman in Main Street, USA or elsewhere; nor am I an undercover agent for any government, or a whistleblower engaged in an exercise in entrapment because this program is being conducted under ecclesiastical and tribal law jurisdictions overseas. This means that this Agreement is between me and a tribal government's law firm operating within the jurisdiction of Indian country as defined and declared in 18 United States Code § 1151.

**K.**

1. I shall include one MoU Agreement signed by me and witnessed for each new package of documents and certificates submitted by me. If there are others in my immediate family who wish to join this endeavor and submit their certificates, I shall include their names as well in the space provided for this at the end of said MoU Agreement. **I shall enter my data very carefully so it is readable** so that my documents can be processed and recorded correctly.
2. If I later desire to send in more certificates, I will send in a new MoU for those certificates. I understand that previous MoUs will not be modified to list the new certificates.
3. I shall enclose a copy of **all** pages this signed MoU Agreement **with all pages initialed**. I shall print all documents on only one side of the page, not on both sides, and I shall not staple the pages together but use paper clips in order to enable trouble-free scanning of these documents.
4. I shall enclose a copy of each Certificate of Live Birth (or baptismal record, hospital records, family bible entry, naturalization certificate or death certificate), **not the originals**.
5. If I am submitting death certificates, I shall sign a notarized affidavit explaining my blood relationship to the deceased persons that I am claiming to be my family members. I shall also include notarized affidavits **from two others** who can affirm my relationship to the deceased for **a total of three affidavits for each death certificate**.
6. I shall go to <http://monetizecolb.org/signup.php> and register as a member.

7. I shall go to <http://monetizecolb.org/wireinfo.php> to have the latest wiring and packaging instructions sent to the email address I registered in my member record. I shall look for this email in my Spam folder if necessary.

9. I shall obtain two copies of the wiring instructions prepared by the bank or money transfer service I use.
10. I shall make certain my member login name, name, email, transaction ID and actual amount sent are clearly marked on the wire instructions.
11. I shall enclose one copy of the bank's wiring instructions as proof of payment.
12. I will prepare a money order or certified check to pay \$50.00 for each certificate as the administrative fee as specified in the WireInfo email and mail as specified in #15 below..
13. If I want confirmation of the packages receipt by NALJC, I shall send the package by certified, registered, priority or express mail. If I want further confirmation I shall include a self-addressed stamped envelope which will be returned with a note if there are any discrepancies.
14. I understand there are no further confirmations by phone, email or personal visit.
15. I shall mail the documents and administrative fee to  
Native American Law and Justice Center,  
PO Box 186,  
Swanton, Ohio 43558.
16. I shall keep a copy of these documents for my private records.
17. I shall Login and enter a record for each MoU, CoLB, Affidavit and payment I have submitted **when the facility is available.**
18. I understand that the process to check the status of my documents and account is that I shall Login to my member account and review it periodically.
19. I understand that if I am notified of errors in my submission of payments or documents by mail or email, I shall mail in the correct documents and payments **and a copy of that notice of the errors.** I understand that sending back extra copies of correctly submitted documents creates confusion and is not wanted.

L. I understand that I shall lose my privileges to any disbursement of funds if I have engaged in fraud, or proven to be engaged in document fraud.
